ABOUT US

We provide fitted procurement solutions to suit your needs through our relationships with manufacturers in a wide range of industries. We partner with freight carriers and brokers to deliver solutions where the customer needs them, in the United States and abroad. Zion Distribution also offers a host of value-added services that are constantly evolving with your needs, including specialized packaging and custom kitting. We simplify the procurement process by allowing you to centralize multiple buying decisions down to one single point of purchase.

CORE COMPETENCIES

- Sourcing and Procurement
- Supply Chain Management
- Consolidated Invoicing
- Strategic Distribution
- Special Orders

DIFFERENTIATORS

- Industry Leading pricing.
- Proven strategies for reducing spending across all product categories.
